Credit Card payments: Add 3% to each of these numbers

*The credit card companies charge us 3% so that fee is passed on to the families. Add 3% to each payment if using a credit card.

The Deposits are NON-REFUNDABLE.

Tuition is non-refundable unless a student breaks the school's contract:

When parents register at Infinity School, they are committing to a contract agreement to pay for the full year of tuition. The only exception to this agreement is if a student exits the program due to contract violations on his/ her/ their part. If this happens, a pro-rated tuition amount is refunded based on the exit date.
